SUBJECT: TRANSMITTAL OF THE NEW SITE ID FORM AT THE CFA-10
TRANSFORMER YARD (EM-ER-02-044)

Dear Mr. Pierre & Mr. Nygard:

This letter transmits a New Site Identification form for review and concurrence. It addresses the soil-filled concrete ring adjacent to CFA-667 that was discovered during remedial action at CFA-10. The recommended action would be to include this site in the FFA/CO Action Plan under OU 10-08 for further investigation.

If you have any questions or need further information please contact me at 208-526-4049.

Sincerely,

A handwritten signature in cursive script, reading "Kathleen E. Hain", is positioned below the "Sincerely," text.

Kathleen E. Hain, Director
Environmental Restoration Program
